HOW IT'S DIFFERENT FROM DANCE LESSONS

Learn in only 16 months what it could take years to learn in regular group and private lessons. Many of the elements in this program are never taught through traditional methods.

While your dancing will improve by taking this class and learning the elements, the main objective is to increase knowledge of the individual figures, the dances, and the methods by which these dances are taught. Its goal is to produce ballroom dance teachers who are prepared to teach lessons from the moment they are certified and hired.

CBTA BENEFITS:

- CONVENIENT CLASS TIMES.
- ENROLL FOR ANY QUARTER.
- LEARN TO DANCE AND TEACH.
- 16-MONTH COURSE.
- BECOME A CERTIFIED INSTRUCTOR
- DISCOUNTED PRIVATE LESSONS

NO EXPERIENCE NECESSARY

We welcome anyone with the desire to become a ballroom professional and the discipline to do the work.

GREAT PRIMARY OR SUPPLEMENTAL INCOME

- Average first year salary for a teacher with CBTA credentials is between \$25,000-\$35,000
- \$50-\$60K per year in years two through five
- Independent teachers earn a net hourly pay of \$75 per lesson - at 30 lessons per week, which is over \$100K per year!

IT'S NEVER TOO LATE TO START

Our trainees are all ages, from college students to retirees. You are never too old to train for this career!
